INVESTMENT OBJECTIVE & POLICY

The objective of this portfolio is to provide investors with long-term capital growth through investment in a diversified range of global asset classes and currencies. The portfolio aims to produce an equity like return over the long-term but with less risk than equity markets; its broad mandate allows it to invest across asset classes and the capital markets, in a variety of market caps, geographies and sectors. Investments to be included in the portfolio will, apart from assets in liquid form, consist solely of participatory interest in portfolios of collective investment schemes. The portfolio will consist of a mix of collective investment scheme portfolios investing in equity, fixed interest instruments, (including but not limited to bonds, cash deposits and money market instruments), debentures, preference shares and property securities as well as any other income enhancing securities which are consistent with the portfolio objective and that the Act may allow. The Manager shall be permitted to invest on behalf of the portfolio in offshore investments as legislation permits. The Manager may also invest in derivatives as allowed by the Act from time to time.

RISK PROFILE RANGE

This portfolio holds more equity exposure than a medium-risk portfolio but less than a high-risk portfolio. In turn the expected volatility is higher than a medium-risk portfolio, but less than a high-risk portfolio. The probability of losses is higher than that of a medium-risk portfolio, but less than a high-risk portfolio and the expected potential long term investment returns could therefore be higher than a medium-risk portfolio. Where the asset allocation contained in this MDD reflects offshore exposure, the portfolio is exposed to currency risks. The portfolio is exposed to equity as well as default and interest rate risks. Therefore, it is suitable for medium to long term investment horizons.

EFFECTIVE EXPOSURE

Portfolio Date: 2024/09/30

Derivative exposure included above 0.00%. May not sum to 100 due to rounding.

DISCLAIMER

Boutique Collective Investments (RF) (Pty) Ltd ("BCI") is part of the Apex Group Ltd. BCI is a registered Manager of the Boutique Collective Investments Scheme, approved in terms of the Collective Investments Schemes Control Act, No 45 of 2002 and is a full member of ASISA. Collective Investment Schemes in securities are generally medium to long term investments. The value of participatory interests may go up or down and past performance is not necessarily an indication of future performance. BCI does not guarantee the capital or the return of a portfolio. Collective Investments are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees, charges and maximum commissions is available on request. BCI reserves the right to close the portfolio to new investors and reopen certain portfolios from time to time in order to manage them more efficiently. Additional information, including application forms, annual or quarterly reports can be obtained from BCI, free of charge. Performance fees are calculated and accrued on a daily basis based upon the daily outperformance, in excess of the benchmark, multiplied by the share rate and paid over to the manager monthly. Performance figures quoted for the portfolio are from Morningstar, as at the date of this minimum disclosure document for a lump sum investment, using NAV-NAV with income reinvested and do not take any upfront manager's charge into account. Income distributions are declared on the ex-dividend date. Actual investment performance will differ based on the initial fees charge applicable, the actual investment date, the date of reinvestment and dividend withholding tax. BCI retains full legal responsibility for the third party named portfolio. Although reasonable steps have been taken to ensure the validity and accuracy of the information in this document, BCI does not accept any responsibility for any claim, damages, loss or expense, however it arises, out of or in connection with the information in this document, whether by a client, investor or intermediary. This

document should not be seen as an offer to purchase any specific product and is not to be construed as advice or guidance in any form whatsoever. Investors are encouraged to obtain independent professional investment and taxation advice before investing with or in any of BCI's products.

A fund of funds is a portfolio that invests in portfolios of collective investment schemes that levy their own charges, which could result in a higher fee structure.

Access the BCI Privacy Policy and the BCI Terms and Conditions on the BCI website (www.bcis.co.za).

FAIS Conflict of Interest Disclosure

Please note that your financial advisor may be a related party to the co-naming partner and/or BCI. It is your financial advisor's responsibility to disclose all fees he/she receives from any related party. The portfolio's TER includes all fees paid by portfolio to BCI, the trustees, the auditors, banks, the co-naming partner, underlying portfolios, and any other investment consultants/managers as well as distribution fees and LISP rebates, if applicable. The portfolio's performance numbers are calculated net of the TER expenses. The investment manager earns a portion of the service charge and performance fees where applicable. In some instances, portfolios invest in other portfolios which form part of the BCI Scheme. These investments will be detailed in this document, as applicable.

INFORMATION AND DISCLOSURES
